

Sunny D – Book Spree Summer Collection

We sure hope everyone is looking forward to enjoying this beautiful summer, kicking back and drinking Sunny D and saving the labels for our upcoming **Back To School Contest**. Every qualifying Sunny D label that gets brought into the school earns one free book for your child's classroom. Think about that for one minute – **one whole label from just a 16 oz. bottle, a 128 oz. bottle or even a UPC from a carton earns a free book! The UPC's from Fruit20 qualifies!** I cannot think of a better way to get free books in our children's hands.

Save the Sunny D UPC Label, (the whole label) and send them in to your classroom (put your child's/family name on the zip-lock bag). If you buy a case, a 6-pack or 8-pack save the whole shrink wrap around it as well. Ask friends and family to collect labels, too. For more information, go to Sunnyd.com/bookspree.

One family, from each school, who can bring in the most labels will win a \$10.00 Scrip card of their choice. However, that family has to bring in a **minimum of 15 labels** to qualify. This contest ends November 4th. Thanks in advance for helping all of our kids shine in school! If you have any questions, please contact Gretchen Mercer at 219-730-5928 or at gretchen_mercer@hotmail.com. Thank you!
