

# Porter Township Schools Parent Teacher Organization

The Porter Township Schools PTO is an organization whose membership is open to all parents, legal guardians, and staff at Boone Grove Elementary and Porter Lakes Elementary. The PTO strives to establish a close relationship between home and school by providing opportunities for all parents to become involved in both schools. The PTO coordinates many activities to help raise funds for supplemental educational materials and experiences and to support school and family social interaction. It is our goal to provide a forum for sharing information on issues that impact our children. It is our belief that the team effort of a parent-teacher organization offers the best possible learning environment for our children.
