Parenting the Love and Logic Way

*The best 10-hour investment you can make
for your marriage and family.*

We all love our children, but wouldn't you like some help with:

- Putting an end to arguing, back talk, and begging
- Teaching responsibility without losing their love
- Setting limits without waging war
- Avoiding power struggles
- Guiding kids to own and solve their problems
- Teaching kids to complete chores...without reminders and without pay

Dinner, workbooks and child care are all **FREE!**

Join us for six consecutive Tuesday nights for this fun series

Parenting workshops will be held at

**Porter Lakes Elementary | 208 South 725 West
Hebron, IN 46341**

**Call the school office at 219-306-8076 to register

**Influenza has been confirmed in
our area.**

Influenza is very prevalent in our area. The best prevention methods include: getting the flu vaccine, covering your cough and/or sneeze, disinfecting frequently touched items, avoid touching eyes, nose, & mouth and **WASHING HANDS!**

**You can prevent spreading illness
to others by keeping your sick
children home from school until
they have been fever free WITHOUT
medication for 24 hours.**
