## MASK UP

We want to remind parents that all students and staff members will be required to wear a mask this year. We will strive to give students “mask breaks” whenever possible. It would be very beneficial for you to begin to talk to your child about wearing a mask every day. Students need to understand that, “Your mask protects me and my mask protects you.” If your child has not worn a mask for an extended period of time, have them start now. You can slowly increase the time your child wears a mask so that by the time school starts they will be comfortable with the mask.

***Remember – We’re in this together!***

## FIRST DAY OF SCHOOL

Due to the restrictions that have been placed on us, parents will not be allowed in the building on the first day of school. If you would like to help your child find his or her classroom prior to the first day of school you may visit school August 3 – 7 from 9:00 AM – 3:00 PM. If you are unable to visit, please know that there will be teacher aides in the building on the first day to help students find their classrooms.
