CAR RIDER LINE

Parents: Thank you for your patience and cooperation with the car rider line. As you know we have encouraged car riders this year to help keep numbers on the buses low. We have noticed that some parents are parking in the lot and walking their children up to the back drop-off point. PLEASE DO NOT CONTINUE THIS PRACTICE. This is very dangerous and could result in one of our children being hurt. We understand that the line can be long and we will do everything we can to reduce your time in line. But the safety of our children, their parents and our staff must come first. Please be patient...we are all doing our best...we are in this together...for everyone. THANK YOU!

Thanks to all parents who have made an effort to improve the traffic congestion by following the time lines below. This has really helped the situation (see photo!!)

If you do **not** have a child at BGE –
PLEASE try to get to car rider line at
8:30 AM for Drop-Off
(9:05 AM On Wednesdays)

Parents – We COMPLETELY understand that the craziness of last March and our summer has been trying for all of us. We are all still feeling our way through these days back at school.

We do need you all to look high and low, under cushions, in the car, in the kitchen cabinets, maybe even the dog's bed for library books. Mrs. Bowman has sent home notices of library books that have not yet been returned to PLE.

Please help us find our lost books ☹️

Stracks Receipts Awards Remember last school year when we started the Strack & Van Til receipts collection for the school? Well, thanks to our PLE families and their efforts in collecting we were able

to get many free items. We got a: Kickball, Soft Tuff Ball, Dozen Nylon Bean Bags, Coaching Basketball, and a Parachute. We appreciate the offer from Strack's and the efforts from our families!
