## READ ALL ABOUT IT !

Hi Students and Parents: Please remember that you must have a mask *each day* at school. We were able to provide 3 masks for each student, distributed at the beginning of the year. The nurse is unable to provide multiple masks per week to those students that have forgotten theirs. Maybe keep a spare in your child's backpack just in case. Also, please be sure that masks are washed regularly to prevent spread of germs. Thank you!

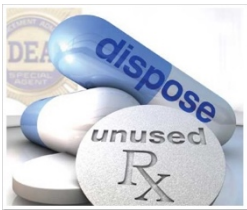

### Box Tops for Education

Box Tops has always been a great fundraiser for our school. We were so trained to clip those box tops which added up to thousands of dollars for our school each year. They have recently changed the program from clipping to scanning so we need to retrain our awesome donators! Please download the app, then you just scan a photo of receipt into the app. There is no charge for the app and it does not collect data. The funds are then automatically deposited into our schools account! As of right now we are unable to track individual contributions making it difficult to run a collection contest. (Which our kids always enjoyed 😊). We will continue to look for ways to help develop the program. If you still have clipped Box Tops, please send them into school to be submitted. Thanks

Dear Parent,

Educational technology and funding changes daily. To keep up with these changes and expenses, our school is participating in our local Strack & Van Til "Apples for the Students" program. The Strack & Van Til "Apples for the Students" program enables our school to earn Apple Computers and iPads, sporting goods, audio visual equipment, science supplies, hundreds of other items to choose from, and they're all FREE!!!!!! To earn these FREE awards, we simply have to collect as many Strack & Van Til register receipts as possible from September 1st, 2020 through March 1st, 2021. Ask your friends and relatives to shop at Strack & Van Til and save every receipt. Please save your Strack and Van Til receipts and send them into school. PLEASE ask friends and family to save for you also. If your work, or if your Church would allow us to place a collection box let us know and we will prepare one to place out and help collect. Send the receipts to school with your student as often as possible. Here at school we will count the value of the register tapes collected and redeem them for great items that benefit your child.
