HOOTIN' HATS FOR AN OWL!

Recently, veterinarian Dr. Erin Sako and her daughter Kaitlyn were riding horses through the woods by their house when they ran across a dead owl on the trail. Dr. Sako contacted DNR to see what to do with it. The DNR reported that you have to have a special permit to have it stuffed, and added that often schools will get these permits for education. So PLE staff and students paid one dollar to wear a hat last Friday and the proceeds will go to a taxidermist who will ready the owl for display at our school (we raised \$403!) Dr. Sako told us, "It's a great horned owl, not a mark on it. It's beautiful and appears to have died of old age. It has a 4.5 foot wingspan." Great work PLE! (note: the owl pictured to the right is not the owl found by Dr. Sako and her daughter – but the pictures below are real PLE staff and students!)

Box Tops for Education Box Tops has always been a great fundraiser for our school. We were so trained to clip those box tops which added up to thousands of dollars for our school each year. They have recently changed the program from clipping to scanning so we need to retrain our awesome donors! Please download the app, then you just scan a photo of receipt into the app. There is no charge for the app and it does not collect data. If you still have clipped Box Tops, please send them into school to be submitted. Thanks

Our school is participating in our local Strack & Van Til "Apples for the Students" program. The Strack & Van Til "Apples for the Students" program enables our school to earn Apple Computers and iPads, sporting goods, audio visual equipment, science supplies, hundreds of other items to choose from, and they're all FREE!!!!!! To earn these FREE awards, we simply have to collect as many Strack & Van Til register receipts as possible from September 1st, 2020 through March 1st, 2021. Ask your friends and relatives to shop at Strack & Van Til and save every receipt. Please save your Strack and Van Til receipts and send them into school. PLEASE ask friends and family to save for you also. Send the receipts to school with your student as often as possible.
