READ ALL ABOUT IT !

The Annual Porter Lakes Thanksgiving Food Drive! November 16 – 20

Our community is in need of basic food items and cleaning supplies during these stressful times. We are asking that our students, families and staff donate to the local food bank. Every day your student brings in a non-perishable food item or household supply they will be entered into a drawing to take part in our Pie Throw & Baked Goods Give-Away (socially distanced of course). Your child may get selected to throw a pie at a staff member!! Hopefully we can make this Thanksgiving special for our families in need.

All of the Angels on our tree are children in our own community. This year, our Angel Tree is going virtual. We will release the link to the PTSC Angel Tree Website and QR code next week. From that website you will be able to select a child and see what they have requested. **You will receive a confirmation email that must be applied to the wrapped gift you return to our school.**

*All wrapped packages must be returned to the school
no later than December 11th.*

More information will be available as the website goes live.

We would like to thank you in advance for helping our families through a difficult Holiday season. Your kindness and generosity will help to make someone's Christmas a little brighter.
