## READ ALL ABOUT IT!

### Thank You

We are so very appreciative of our PTSC Family and Community! This was a difficult year for the PTSC Angel Tree. It took a long time for the Angels to be selected, and we worried every day.

So THANK YOU again –

And from our family to yours – Merry Christmas and Happy Holidays!!

### Changes for PTSC

When we return from break on Wednesday, January 5, 2022, masks will be optional, yet recommended, in all PTSC buildings. Masks will still be required on PTSC buses as set by federal mandate.

By January 5th, 2022 all K-12 students will have had the opportunity to be fully vaccinated. We have not seen evidence of COVID spreading through in-school transmission.

Beginning January 5, 2022, we will be discontinuing our K-8 virtual learning option. With this change, only those with a medically documented health risk condition will be provided an accommodation which may include some virtual instruction. If you would like to have your child considered for the K-8 virtual learning option for the second semester, please contact the building principal.

### Important Dates

|        |                                    |
|--------|------------------------------------|
| Dec 20 | PTO Craft Sale                     |
| Dec 21 | End of 1 <sup>st</sup> Semester    |
| Dec 22 | Winter Break Begins                |
| Jan 5  | Back To School –<br>Classes Resume |

### DON'T FORGET TO COLLECT YOUR STRACK'S RECEIPTS!!

With the Holidays approaching, we will all be going to get more groceries...don't forget to turn those receipts in to school!! Your Holiday shopping could provide gym equipment, school supplies for our students. THANK YOU!
