August 15 – 19, 2022

READ ALL ABOUT IT!

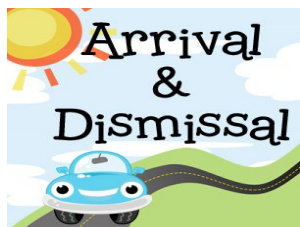

Please keep the car-rider line moving.

We realize that our car rider line can be very long. Our staff works diligently to make sure all students get safely in their vehicles as quickly as possible. Random walkers to the car line create a tense situation in that staff must stop the car loading to tend to an adult.

Please be aware that this is for the safety of our students.

You can help the line go faster by having your last name in the passenger window (please call the office and we can send some home with your student) **and by speaking with your child of the importance of staying quiet while waiting to be called to your car.** Please do not pull around another car unless instructed to do so. For safety reasons, please do not talk on your cell phone while in the car-rider line and in the school zone. Also, if there is difficulty in getting your child in to a car seat, please pull in to the large north parking lot and finish the process there.

ATTENTION PARENTS WITH PRESCHOOL AND K-3 STUDENTS – AN UPDATE TO DISMISSAL PROCEDURES

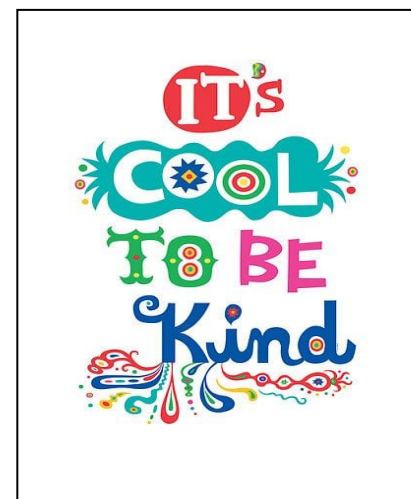

Parents – If you have a preschooler AND a K-3 student we are requesting that your drop-off and pick-up ALWAYS BE IN THE PRESCHOOL LINE. Even if your preschooler is not here on some days during the week, your K-3 student may still be dropped off

and picked up at the preschool door. We believe this may help with overall car rider congestion.

Thursday ~ September 1

All children will be photographed before 10:45. Look for order information coming home soon.

For our little ones, the doors can be quite heavy. So we ask that no one wear open toe shoes.

We apologize for the delay in the online payment portal being opened. At this time, we are only able to accept cash or check at school for meal accounts. As soon as Titan has our online payment portal open we will be sending an email out to all of our families.
