If it has a name label – we can get it back to it's owner!!!

Parents, the past few weeks have been exceptionally busy in the school's main office. We have noticed a significant uptick in the number of phone calls we are receiving to change dismissals. While we are very happy to help you and your child through the school year, this increase is becoming unwieldy, and we would like to reduce any chance of error. *Please be sure that you send a note in to school with your child to change dismissals. An actual note is helpful if there is a substitute in the classroom, if the office staff is otherwise engaged in school procedures, and for your child, by lessening the anxiety that can often come with last minute changes in their dismissal routine.* Thank you for your understanding.
