READ ALL ABOUT IT!

Also label lunch boxes, any school supplies you don't want to get lost. If it has a name – we can get it back to the owner!!

Make A Payment

Parents – Please remember that when you are paying for an iPad cover, a lost library book, a Café payment, or preschool tuition it is best to have a check or correct change. It is difficult to create change at the school office as we do not have cash on hand. Thank you

Parents, all student absences must be reported to the school office by 9:00 AM. You can call the office at 219-306-8076 or you can report your child's absence from school at this link: <https://ple.ptsc.k12.in.us/>

Select the blue "Student Absence Form" just under the PLE photo and complete the form. Please log any absences before 9:00 to avoid a call from school administration

Payment for Cafe Online payments are a simple, safe and secure way to make payments to your students account 24 hours a day. Please note, it may take up to one hour for the balance to be updated on their account. If you do not already have a LinqConnect account, you will have to create one and add your students. You can download the LinqConnect app OR use this link:

<https://linqconnect.com/>

Checks or Cash - You can always bring money personally or send it with your student. Please place it in an envelope marked clearly with your student's name, their teacher's name (if applicable) and the dollar amount.
