OPEN HOUSE!

Porter Lakes Open House for Preschool through third grade is scheduled for Tuesday, August 15th from 5:00-6:00. We hope you can visit your child's classroom! You can drop off supplies, pick up important information, and meet your child's teacher.

For the past few years we found great success with our policy of not allowing parents in the building on the first day of school. Parents: Please remember - for the first week of school we always allow our kindergartners in the building first so they can find their classrooms and we will have many staff members in the building on the first day to help all students find their classrooms.

We hope to see you at Open House!
