Attention Visitors – We have a new school sign-in system at the office. Everyone who enters will need their driver's license to establish facial recognition within the system. After your initial entry in VisitorAware, you will only need to walk up to the system, have it take your photo, it will complete a up-to-the-minute check, and VisitorAware will recognize you and print a pass.

Please be patient the first time you come in and DON'T FORGET YOUR DRIVER'S LICENSE!!
