at 2:00 am

- Clock moves an hour ahead.
- Check smoke detector batteries.

Parents: The PLE office has seen a huge increase in the number of dismissals being phoned in, emailed in very early in the morning. The office must write an Updated Dismissal for every one of those notices. This has been taking a great deal of time out of the offices work hours.

PLEASE – if you know on the weekend, early in the morning, or the night before how your child is going home, *please* send in a note.

We appreciate your cooperation!!!
