Dear Families –

We have an overflowing table of lost & found items. Before school is dismissed for the summer, we would like you to come and check it out. Maybe you can find that missing hoodie, or the boots that never came home. How about the water bottle you knew you had, but can't find now...it could be on our table!! We will have the table in our vestibule next week. After the week all remaining items will be donated to charity. **THANK YOU!!**
