### Dear Porter Lakes Families,

I am thrilled to introduce myself as the new Assistant Principal at Porter Lakes Elementary School. This marks my tenth year in education and first in an administrative role. I am truly honored to begin this next chapter of my career at such a special place.

I earned my Bachelor's Degree in Elementary Education from Purdue North Central and had the privilege of completing my student teaching right here at PLE. For the past nine years, I have taught fourth and fifth-grade in Portage while also serving in various leadership roles throughout the district. Most recently, I completed my Master's Degree in School Administration from Indiana Wesleyan University.

Returning to Porter Lakes feels like coming home. The dedicated staff and supportive community make this school a truly remarkable place, and I am eager to contribute to its continued success. I look forward to getting to know our students, families, and staff and working together to make this an exceptional year.

Sincerely,

**Brad Parks**  
**Assistant Principal, Porter Lakes Elementary**
