Dear Porter Lakes Families,

Welcome to the 2026–2027 school year! As I begin my second year as principal of Porter Lakes Elementary School, I am filled with gratitude for the opportunity to continue serving a school community that has been such an important part of my life.

This year marks my 23rd year at Porter Lakes. Throughout that time, I have been fortunate to serve as a third grade teacher, kindergarten teacher, preschool teacher, support teacher, Assistant Principal, Preschool Director, and now Principal. Each role has deepened my love for our students, families, staff, and the incredible community we have built together. Last year was a wonderful first year in this role, and I am thankful for the support, trust, and encouragement I received from our Porter Lakes families. I look forward to building on that foundation as we continue to grow together.

Porter Lakes has so much to be proud of, from our recognition as a National Blue Ribbon School to the strong partnerships we share with our families and community. Most importantly, we remain committed to creating a safe, nurturing, and engaging environment where every child feels valued and has the opportunity to thrive.

As we begin a new school year, I am excited for all that is ahead. I encourage you to continue partnering with us, sharing your ideas, and reaching out whenever you have questions or simply want to say hello. Thank you for your continued support and for entrusting us with what matters most—your children. Here's to a fantastic 2026–2027 school year! I cannot wait to see all that we will accomplish together.

Sincerely,

Kristin Mucha
Principal, Porter Lakes Elementary
